THE IMPACT OF VIOLENCE ON YOUNG CHILDREN ONLINE CLASS (3 clock hours)

CLASS DESCRIPTION: This training class discusses the impact of direct and indirect exposure to violence on the development and well-being of young children. Ways to support children and promote coping skills will also be covered.

LEARNING OBJECTIVES: As a result of this training, participants will be able to:

- Identify the four main ways that children are exposed to violence
- Give examples of how children are exposed to violence in the media
- Identify the four ways that children can react to viewing television, movies, or video games with violent content
- List ways that children may react to direct exposure to violence
- List specific ways to help children cope with exposure to violence

WHAT OTHERS ARE SAYING:

I liked learning how to react to children who have gone through trauma or violence in their lives.

– Kristen R., PA

It was perfect. The coping information was especially helpful.

– Sonia H., GA

I found it very useful and now know how to interact with the children regarding violence whatever the source.

– Ashley G., TX

I found it all to be useful, mostly the section with 10 tips to help your kids deal with violence.

– Sebrina W., KY
